

Corporate Experience:

Mr. Julian "Fritz" Scadden serves as an operations manager, business owner and consultant for the residential service trades since 1998. He has also trained and implemented best practices with Mc Donald's, Chipotle, Noritz, Rheem as well as many family owned business owners.

Julian realized his passion was to share his knowledge through training and coaching and pursued his own business coaching in the service trades. Over the years, Julian has consulted with many service companies. Julian continued to teach classes, covering basic financials, marketing, training, sales, strategic planning, and exit strategy.

Community:

Mr. Scadden has been an active as a coach for youth football and basketball in the Denver Metro Area from 2004-2007. Years 2007-2013 he coached high school, college prep and semi-professional football teams in Atlanta, GA. He continues to this day to volunteer with youth teams in his community now in Maple Grove, MN. His primary focus is complete health (Mental, Physical, Social) and fundamental skills for the any sport being trained or coached.

Julian has worked with charities and community outreach programs from Hands on Atlanta to the Union Rescue Mission and YWCA of North Georgia.
