Occupation: AmeriCorps Program Coordinator—DPS

Hometown: Denver, CO

A little bit about me:

Well hello, my name is Jasmine “Naomi” Marsh and I am passionate about all forms of art; including dance, painting, music, etc. During my spare time I like to ride my motorcycle, paint, read and swim laps when the weather permits. I am a modern day feminist and I believe in social and economic equality. I enjoy serving as a mentor to the young girls on the DSST cheer team that my sister and I coach.
